All of our programs serve individuals and families from these communities
**Woburn
Winchester**

Some of our programs also serve residents of one or more communities within Middlesex County

To Whom It May Concern,

Ryan Skinner has been a generous donor and friend to the Family Childcare System at Woburn Council of Social Concern. During each holiday season he purchases toys and electronics for the children enrolled in our childcare program and for their siblings. Last year when one family was having a particularly difficult year, Ryan purchased sheets and comforters for all of the children in the family, as well as fulfilling their Christmas Wish lists.

Ryan has made himself readily available to our childcare program when we need help providing assistance to a child or family. This past summer many of our families were in desperate need of summer clothing for their children. Ryan stepped up and donated a \$1000 gift card that was used to purchase summer items for every child in our program in need. Because of his generosity, this fall we were also able to purchase coats, sneakers and clothing for these low-income families.

Every time Ryan comes into the agency, calls or e-mails me, his first question is always "What do you need?" It is heart-warming and refreshing to have such a generous and caring individual helping those in his community that are less fortunate. His compassion and generosity are greatly appreciated. Personally I think we could use a lot more Ryan Skinners in the world.

Sincerely,

Sandy Allen
Director of Early Childhood Education
Family Childcare System
